STARMIX PL160NH - 160 L CAPACITY

## STARMIX — WHEN ONLY THE BEST IS GOOD ENOUGH !

BAKEWISE is the exclusive Australian distributor of the Italian STARMIX planetary mixers.

The range includes planetary mixers **from 20 to 800 L** capacity — bowl lifting, tilting and transfer equipment.

STARMIX has specialised only in planetary mixers, and consequently, they have the knowledge and experience you won't find with other "full range" manufacturers.

With STARMIX, you will experience **a higher yield of raw materials** when you whip and beat. Thanks to the tool's design in combination with the automatic bowl scraper, you will also achieve **shorter mixing times**.

Imagine what this will do for your bottom line!
